A. SPEAKING ENGAGEMENTS

1. Speaking Engagements within the Speaker's Constitutional Area

a. General Rules for Speakers

- (1) One official speaker that resides within the constitutional area is allowed for its district convention or similar district-wide function. If the requested or assigned speaker resides outside the constitutional area, authorization for the speaking engagement is required from the international president if it is within the respective speaker's mileage budget.
- (2) No additional speakers are authorized if a sub-district convention is held in conjunction with the multiple district convention.
- (3) A single or multiple district, inclusive of all its sub-districts, may extend an invitation to one executive officer per year.
- (4) If special circumstances exist that require visitation by more than one executive officer, authorization is required from the international president.
- (5) In the event speakers within a constitutional area are unable or unavailable to travel to a speaking engagement, speaker mileage budgets as needed can be transferred from speakers who are not able to travel to a speaker who can travel to the speaking engagement if both reside in the same constitutional area. Any such transfer must be accompanied by a letter of approval, signed by the speaker who is relinquishing his budget. If any such approval is withheld, the International President at his discretion may authorize the application for budget reassignment for his presidential year.
- (6) Speakers elected from and residing in constitutional area 1 and 2 shall be permitted to travel in both constitutional areas.
- (7) Transportation cost for official speaking engagements will be charged to the speaker's mileage budget.
- (8) Speakers shall be allowed to attend an event in a provisional or undistricted area if within their mileage budget.

b. Invitation Procedure and Order of Precedence for Speaking Engagements

- (1) A district (single, sub- or multiple) may extend an invitation directly to a prospective speaker for an authorized meeting. The international president may authorize exceptions to the invitation protocol. Eligible speakers, elected from and residing in the constitutional area from which the invitation is made shall be approved according to the following order of precedence:

- i. International President: The international president may travel to any Lions function in the world, provided that the expense falls within his budget. Such functions should be representative of the entire district (single or multiple).

Travel to a Lions function outside of their respective constitutional areas should be within their respective budget.

- iv. Any international director or, if none available, then any past international director, or if none available, then,
- v. A past district governor residing in the single or multiple districts in which the meeting is to be held.
- vi. If a constitutional area does not have an acting past international president, an invitation can be made to a past international president from another constitutional area as long as the past international president has the mileage budget to support that request. International President approval would not be required.

c. Travel Department Assistance with Speaking Engagements

- (1) Travel requests should be routed through LCI Travel Department so staff can assist with planning.
- (2) Upon request, the Travel Department shall provide a list of eligible speakers who are available, subject to the above order of precedence.
- (3) A speaker request form may be completed and given to the Travel Department as soon as the request is received from the District Governor or Council Chairperson but must be completed and submitted to the Travel Department at least sixty (60) days prior to the meeting.
- (4) If the requested officer is unable to attend an event due to scheduling, the LCI Travel Department will work with the entire Executive Officer Team to determine if another officer is available. Video messaging can be provided from the Executive Officers to arrange live remote appearances.
- (5) Once the speaker selection is made, the Travel Department shall confirm the speaker's acceptance of the invitation.
- (6) The Travel Department shall send an acknowledgement of all invitations received to the individual initiating the invitation and the speaker.
- (7) The Travel Department will develop strategic routes that eliminate duplicate travel and reduce air time so officers have more time to speak, serve and connect with Lions which will also help reduce costs and the physical toll of extensive international travel.
