Prospective Lions, unlike other Clubs, membership in a Lion Club is by invitation. The members of these clubs have invited you to join them because they believe you possess good moral character and good reputation in the Community, and will uphold the Lions motto "We Serve".

Lions Club is a voluntary organization and all of us are volunteers. Being a Lion member, you must appreciate:

"The choice to become a Lion is totally voluntary. But once having become a Lion, it is a pledge. It imposes an obligation and commitment upon every member to do his/her part".
